We believe that one of the ways York College can impact the moral and the spiritual well being of this nation and the upper Midwest is by putting Christians teachers in the classrooms of our public schools. For that reason we are dedicating the funds that are raised in this event to the scholarship funds for the York College Education Majors.

Come Join Us As We

Support The Value Of

“Christian Education”

If you know York College you know that the spirit of Christ is evident in every staff and faculty member.

That is especially true of Wayne Baker, President, and his administrative VP's. If you are not acquainted with York College, we provide an opportunity for you to come and learn. Hear York's president speak toward York's vision for our young people.

All funds raised will go to the **“Education Department”** for scholarships.
