Serving Today's Youth in Christian
Development

MWBC CLEANUP DAY

Please join us for some work and fun on Saturday, May 2nd at our annual Camp Cleanup Day at the Lake Darling Youth Center. You'll enjoy being with friends while you help get camp ready for the summer! In addition to our normal cleaning activities, we have several big projects planned and could really use your help. We'll be building a new stage for the chapel, painting cabins, installing ceiling fans, and general building and grounds cleanup. Come whenever you can and bring the whole family along. Bring your favorite tools (rakes, gloves, brooms, hammer, drill, etc.) Lunch will be provided. See you there!
